SPRING 2019 SPORTS

BCS ATHLETICS IS READY FOR SPRING

Stan Caffey
BCS Athletic Director

Spring is an exciting, busy time in Texas High Schools. It is exciting for the seniors that can see the finish line of their high school careers and exciting for everyone as we prepare for spring sports. We are happy to welcome back our veteran track, golf and softball coaches. We are excited about the addition of veteran baseball coach, Jeffrey Doege. I pray that God will bless the relationship between our coaches, athletes, parents, and fans as we seek to glorify His name in all we do. Our number of athletes participating in spring sports is up this year with boys track leading the way with 43 athletes. We also had to order additional uniforms for softball because their numbers are up. When we turned in our spring enrolment number to TAPPS we had 135 boys and 101 girls. While we have found the competition in 5A to be challenging, we hope to grow into that challenge. We tell our athletes to be the kind of people that folks want to root for, and we hope Bear fans have an opportunity to come out and support the Bears and Lady Bears this spring.

It's a great day to be a Brentwood Bear!
