

Dear BCS Community,

When BCS moves to online learning for the week of March 30 secondary students will need their textbooks for limited use. Elementary students will not need textbooks for the week of March 30.

This morning secondary parents were able to register for a time and come pick up textbooks from their lockers. Another time will be made available towards the end of next week to register to come pick up textbooks.

We are following this format for the simple reason that we are cleaning and sanitizing the entire school multiple times. The cleaning schedule is what is necessitating a scheduled pick up times for books. This also lets us make sure we do not have too many people in the building at the same time.

So, parents of elementary students, you do not need to come to the school to get textbooks or anything else. Classrooms are closed and off limits while they go through multi-staged cleanings.

Parents of secondary students, if you did not register for textbook pickup this morning then you will have another opportunity next week to come get your student's textbooks from their locker. They will not need any textbooks prior to Monday, March 30.

As you have seen, the [Enrichment Page](#) is up and available for families. School will resume online Monday, March 30. Instructions and processes will go out early next week. Thank you all for your prayers and patience.

***Blessings,  
Jay Burcham  
President***
