

Dear BCS Community,

It is time to reconnect as a community and celebrate our students and our blessed community. We are all feeling the effects of not being together on campus. We miss our community gatherings and we have heard this same sentiment from our students and parents.

To bring us all together, we are excited to bring our community online events that will remind you of how special our students are and how grateful we all are for each of you. Your administration and specialty faculty has put together an “end of school” online community events plan that will begin next week starting with “Monday Night Lights”. Please see the list of events below and make sure to tune in with us!

Monday Night Lights

Join us for Monday Night Lights, a virtual community event! We will be watching BCS football games with special commentary from Coaches Caffey and Washington. See the dates and times below.

- **April 20, 2020, at 7:00pm** - Watch as BCS takes on Hyde Park
- **April 27, 2020, at 7:00pm** - Watch the Bears take the field against St. Michael's
- **May 4, 2020, at 7:00pm** - Watch the Bears season highlights

At 7:00pm on the 20th, 27th, and 4th we will send a link directly to this virtual event so we can all watch together and cheer on our Bears! We will also be presenting a highlight reel so keep an eye out for more information on that in the coming weeks. Also, be on the lookout for other sport games and highlights coming soon.

BCS Art Show

Our students in K4-12th grade have spent the year in art working on many amazing masterpieces worthy of prime fridge space, and they are still creating while at home. Join us as we showcase our talented students and their artwork. See the dates listed below:

- **May 1, 2020, at 10:00am**
- **May 26, 2020, at 10:00am**

On April 27th and May 24th, we will send a link directly to this virtual event.

Grandparents' Day

Nothing could stop us from celebrating our amazing grandparents! Join us on **Friday, May 8, 2020**, for our virtual online event. There will be something for everyone! Our elementary and secondary teachers and students are working hard to create a wonderful tribute. Links to each grade level's video will be sent on Grandparents' Day.

Field Day

Our elementary students look forward to Field Day every year, and now you can too! Our elementary students will participate in a virtual Field Day led by our amazing PE teachers and the 5th grade class. Watch as our students participate in this Olympic style virtual event on **May 15, 2020**! A link will be sent to the community when this event is scheduled to start.

Yearbook

What an amazing year it has been! Our students have participated in many events and have even made Brentwood history. We have had our first home cross country meet, and our students are now participating in online learning. Join us on **May 18, 2020**, as we celebrate our year in pictures with a special online yearbook party! A link will be sent to the community when this event is scheduled to start.

Chapel

Join us every Wednesday at 10:00am for our online All-Community Chapel! Gather the family to hear a wonderful message and some beautiful singing. Links to chapel are sent on Tuesday evenings so keep an eye out.

Senior Spotlights

Make sure to follow us on Facebook and Instagram to see our Senior Spotlights. We spotlight a different senior every day (Monday-Friday). Leave a like or comment to show your support for our amazing senior class of 2020.

We are Brentwood and while we are apart, we will get through this unique time together! Remember today and every day...

It's a great day to be a Brentwood Bear!
