

Dear BCS Community,

Tomorrow, May 15 is the last day of school for many of our students. Notifications are going out today for those students that will be required to participate in a two-week Standard's Mastery program.

Aside from those required to participate in Standard's Mastery, BCS is also offering Standards Enrichment lessons with BCS faculty. This is a voluntary time where students commit to spending set time for the next two weeks (excluding May 25 for Memorial Day) with BCS Faculty. This is not a requirement but instead is an opportunity for students to spend more time with their teacher and classmates enriching and extending their learning by building on the lessons and standards covered. While registration is purely voluntary, participation is expected for those who register.

If your student(s) wants to participate in the Standard's Enrichment program please register here: [Standard's Enrichment Program](#). Registration will be open until 5:00pm Friday, May 15. Those who register will receive notice over the weekend of the time their enrichment courses will begin.

***Blessings,
Jay Burcham
President***
