

Dear BCS Community,

We are now two weeks away from school starting both online and on-campus. Over the next two weeks, you will begin receiving important communications. Please be on the lookout for the messages below and please take the time to read, watch, and familiarize yourself with the information that will be coming. It is that time of the year when there are more communications than normal but please know that the following communications address issues that are changes and/or important to the daily school processes. This year will be different but it will be great. Please do not let yourself be surprised by any changes because my intent is to communicate them to you over the next two weeks. Here is the outline of communication that will be coming the next two weeks:

August 27 - CAPPs and TAPPs Updates - Athletics

August 31 - Safety Precautions - Face Coverings, Campus Access, Cafeteria, & Bus Route

September 1 - Arts Update - Band & Choir

September 2 - Cohorts and Classrooms

September 3 - Online Bears - Process and Access for students online and those contemplating online access

September 4 - Drop Off & Pick Up Process & Extended Day

September 8 - Welcome Back and Last Minute

Again, this year will be different in many ways but know that your faculty, administration, and staff have been working towards the reopening of our school since the day we all departed. Even though things might be different they can be just as impactful, joyful, and purposeful.

May God bless you and may He bless His school,

Blessings,
Jay Burcham
President
