How to log in and get started

All students (and/or their parents) can access their account and dashboard using the student's BCS Google credentials. You will log into the dashboard the same way you log in to your BCS Bears Gmail account. Elementary parents can find this information on your initial welcome email sent at the start of school.

STEPS TO LOG IN:
1. Go to: www.brentwoodchristian.org/jog-a-fun
2. Click the "Google login" button
3. Enter credentials
4. Click the "Allow Access" button

Once those steps are completed, you will be logged in to the Jog-a-Fun Dashboard.
