Additional information regarding the checklist:

Application – For the K4 program, the student must be age 4 by September 1st in order to start the school year. To complete the online application, visit www.brentwoodchristian.org. Choose Admissions from the menu across the top of the page, then Apply Online from the drop-down menu. The \$125 non-refundable application fee can be paid by credit card online to submit the application. If choosing to pay by cash or check, please notify the Admissions Office so that your application can be processed on our end upon payment.

* Please note any completed admissions documents will either need to be uploaded into the application PRIOR to submission or they can be sent to Admissions via email at admissions@brentwoodchristian.org or faxed directly to the Admissions Office at 512-835-2184 after the application has been completed.

Admissions Screening is required for all applicants and is arranged through the Admissions Office. The Primary Academic Screening Test is conducted on campus to provide the K4 teacher with an overview of the child's readiness in various areas. This screening also helps to determine if the child is ready to start a full day preschool program at Brentwood. Please allow approximately 10 to 15 minutes for this assessment to be completed. There is a non-refundable testing fee of \$15 (credit card paid online, cash, or check made payable to BCS) due no later than the time of testing. The Admissions Office will provide testing dates and times.

Recommendation Information Sheet – A recommendation is needed from a current or previous teacher at your child(ren)'s preschool or daycare. If a child has not attended a daycare or preschool, a recommendation from another source, such as a babysitter, Bible class teacher, or extracurricular activity instructor may be used. Please complete the Recommendation Information Sheet with the name and email address of the person you would like us to contact.

Immunization Records – This will allow our school nurse to review the records to ensure the student's file will be up to date.

Health Examination Form - A complete medical checkup is required of all new students. Doctors can complete the Health Exam Form for a recently completed exam. The medical office can also include a copy of the latest immunization records. Vision and Hearing Screenings are required as well. These screenings can be completed as part of the student's annual exam with their doctor or the student can elect to have these completed at school in the fall of the first semester for an additional fee. This form must be submitted prior to the start of school.

Please review and complete any of the additional forms that might pertain to your child:

- Protocol: Students with Chronic or Severe Health Concerns
- Health History/Instructions for Health Needs Form
- Medication Permission Form

Recent Family Picture – Please submit a recent family photo of the child with his/her parents. This picture can include siblings as well. This does not need to be a formal picture; it will just be added to the student file to help the Administration learn faces and names more quickly.

A family interview with the elementary principal is required at Brentwood Christian School. This is a time for the student(s) and parent(s) to meet with the principal to determine if BCS is a mutually good fit. The Admissions Office will arrange the interview as part of the final step of the application process. All application requirements (except for the completed health form) need to be turned in prior to scheduling the interview.

Acceptance – Typically an applicant will be notified of their acceptance into Brentwood Christian School within one week of completing the admissions process. Upon acceptance the following will be due (see Admissions Timeline and Deadlines below for timeframe):
