INTRODUCTION

Interscholastic athletics meets the needs of our youth through competition and cooperation among teammates. Both are fostered by well conducted and competently directed athletic programs. An intensive, well-balanced program of TAPPS sports should therefore be offered to all students. Athletics for the physically gifted represents an area of enormous potential for practicing the pursuit of excellence. It is, therefore, the goal of Brentwood Christian Athletics to offer this opportunity for participation to every student who has the ability and desire to do so. However, no student is obligated to take part in athletics, nor is this required for graduation. Student athletes and parents/guardians must understand it is a PRIVILEGE to participate in Brentwood Christian athletic programs. A condition for participation is a commitment to follow the rules, regulations, policies, and procedures established by the school for the implementation of its athletic programs. It must also be understood that athletes who violate the rules, regulations, policies, and procedures will be subject to disciplinary action.

BRENTWOOD CHRISTIAN SCHOOL MISSION STATEMENT

The mission of Brentwood Christian School is to lead students to love God and to nurture them in a Christ-centered academic environment that emphasizes excellence and inspires them to develop their God-given talents for lives of Christian leadership and service.

BRENTWOOD CHRISTIAN SCHOOL ATHLETICS MISSION STATEMENT

The mission of Brentwood Christian School Athletics is to enrich the mental, physical, spiritual, and emotional well-being of all students by providing Christ-centered competitive opportunities in which the lifelong values of sportsmanship, individual effort, teamwork, integrity, character, perseverance, and commitment are emphasized.

ATHLETICS DEPARTMENT PHILOSOPHY

Participation in athletics is a privilege. Through voluntary participation, the athlete gives time, energy, and loyalty to the program. In order to contribute to the welfare of the team, the athlete must be willing to accept these obligations.

Programs within the Athletic Department are an integral part of the total educational system of Brentwood Christian. BCS athletes are students first and must meet the academic requirements of BCS and of TAPPS in order to be eligible for participation. Our goal for your child in the Brentwood Christian Athletic Department is to provide the student the opportunity to gain experience and develop socially, emotionally, spiritually, mentally, physically, and morally.

Each athlete will be expected to represent their school and community in a manner that will make parents/guardians, school administrators, teachers, and the entire community proud of them.

- o We believe in a Christ-centered athletic experience.
- o We believe the students are of highest priority.
- o We believe the dignity, worth, and self-esteem of participants should be paramount in all athletic activities.
- o We believe the most important result of competition is the development of life-long values and skills.
- o We believe the athletic program is an integral part of the high school experience.

- o We believe well-designed athletic programs promote community and school pride.
- o We believe open communication and mutual respect among administrators, coaches, parents, and athletes provide the foundation of a successful athletic program.
- o We believe positive parent support and involvement enhance student growth and program quality.
- o We believe high school athletics should be fun and rewarding.

ACADEMIC ELIGIBILITY

eligibility, each student must receive a passing grade in every class in which they are enrolled in during each (nine-week) grading period. Students who are failing are ineligible for a period of three weeks. At the conclusion of this period, the student may regain eligibility if they are passing all classes pertaining to their individual schedule. During a period of ineligibility all athletes will be expected to practice, but will not be allowed to travel with the team per TAPPS regulations. Please refer to Appendix A at the end of the athletic handbook for more specific information regarding the timeline and grade expectations to remain or regain eligibility for athletics.

BEHAVIORAL EXPECTATIONS

STUDENT CODE OF CONDUCT

The student code of conduct as outlined in the Brentwood Christian Student Handbook applies to all athletes at all times when representing Brentwood Christian School. All students enrolled in athletics must follow the student handbook policies for their campus. Any student who is expelled from school (and/or placed in discipline alternative education) for violations of drugs, alcohol, weapons, firearms, felony arrest or public lewdness; at the discretion of the Athletic Director will be dismissed from athletics and all sports at Brentwood Christian. If charges are dropped, or if the student is proven innocent, the student will not be dismissed from athletics and may resume full participation as soon as they return from expulsion or discipline alternative education.

Students placed in (OSS) Out of School Suspension or DAEP (Discipline Alternative Education Program) for any offense other than those listed above will not be allowed to participate in Extracurricular activities during that period, nor will they be permitted to practice after school. Students become eligible upon release of their last assigned day. The head coach with the approval of the Athletic Director will determine further discipline in the sport they are participating in.

ISI PLACEMENT

Students assigned to ISI may practice with the team during the season. They may not participate in game(s) unless they have fulfilled their ISI Assignment. (Except if their assignment falls on a game day or multiple day infractions occur)

Please see below:

1. Full Day or Partial Day on a Game Day - Student-Athletes will not be allowed to participate in the game.
2. 1 Day Prior to the Game - Student-Athletes will not start the game on the next available game.
3. 1.5 or More Days Prior to a Game - Student-Athletes will not be allowed to participate in a game on the next available game day.

DISCIPLINE PROCEDURES

All discipline measures taken by coaches and administrators will be documented. This documentation will be used to show due process by our coaches and patterns of behavior displayed by the athlete. On the fourth minor offense, at least a one-week suspension may take place as well as a parent-athlete conference with the coach. The athlete will be placed on a "probationary" period for the rest of the current semester. If the athlete commits a major or minor offense during that period, he/she will be dismissed from the athletic program for failing to comply.

PARTICIPATION

If a student is enrolled in the athletic period during school, they must participate in the competition of an

athletic sport(s). If they do not participate in a sport(s), they will be removed from the athletic period. Participation requires dressing out and working out during the athletic period. Athletics is an elective course and not a required course. Students have the option of taking Physical Education (P.E.) to satisfy their P.E. credit requirement. Brentwood Christian High School Athletes must be enrolled in Athletics in order to participate in sports.

(Exceptions are made in the following sports: Cross-Country, Golf, Wrestling, Swimming)

DRESSING OUT – ATHLETICS AND PRACTICE

All athletes will be expected to dress out on a daily basis. Athletes who are injured and able to remain at BCS will be required to dress out and to attend practice. Even if you are injured, learn through seeing and listening. All athletes will be given lockers and a clean place to dress. Valuables should be locked up for safekeeping. Locks are **NOT** provided by BCS.

INJURIES/ILLNESSES

Any athlete who experiences an injury must notify the coach immediately so that proper attention can be given. If an injury occurs that requires an athlete to limit their involvement in a workout or game, the athlete is expected to turn in such notification from the doctor to the coach who will keep it on file. The athlete is still expected to suit out (Support the Team) and do whatever the doctor has recommended.

When health issues arise, the child's welfare is our concern. If a child is too ill or has a health condition that is of the type that prevents their participation, you must send a doctor's note to release your child from participation. When your child's health improves, we must have a doctor's release (*for them to resume participation.*) This may be the same note if the duration of the child being out is stated on the first note.

When an illness is either sudden, or your child misses' school for an extended period of time, you may send a parent's note. Your child will be excused from participation for that day of the parent note. A doctor's note will be required for an absence of more than one day in a row.

If a child shows a pattern of frequently being absent, the decision to place the child in P.E. or remove them from athletics will be made by the Coach, Athletic Director, and Campus Principal. Missing three days per six weeks is considered frequent by Brentwood Christian.

If your child becomes ill during the school day, the Coach, as a professional educator, will determine whether or not they should participate that day. All students who are enrolled in athletics will attend their athletic class even if they are excused from participation.

*Student / Athletes must be present in school at least one half of a school day in order to participate in a game on that day. (Example: Dentist or Doctor Appointment or illness)

EQUIPMENT

It is the responsibility of the athlete for the care of any equipment issued by Brentwood Christian to that student. Any damaged or lost equipment will be assessed a replacement cost and must be paid by the end of the school year (see BCS Student Handbook for details). Never should any athletic equipment or clothing be used for non-school events.

LOCKER ROOM

It is the responsibility of the athletes to keep all common areas and individual lockers clean in the locker

room at all times. Individual sport coaches will address locker cleanliness issues directly with their teams.

QUITTING

When an athlete quits a sport in season, they surrender all rights to any honors which they have earned but not yet received, including recognition at the Athletic Banquet. If an athlete decides to quit, he/she will be given a 24-hour cooling off period. If after that time, he/she still wishes to quit, he/she will be allowed to do so. In addition, they forfeit the right to participate in that sport or any other sport they want to start new, until that current season is over or by the Discretion of the Head Coach to release them.

RESPECT FOR COACHES, TEACHERS, OR OTHER SCHOOL PERSONNEL

ALL STAFF should receive "Yes Ma'am/Yes Sir" and "No Ma'am/No Sir" responses from athletes when addressing them. Whenever coaches are talking, athletes are to give them their undivided attention. Each Coach must be called by his or her name and not a nickname.

UNSPORTSMANLIKE CONDUCT

The student-athlete is expected to represent their community and school with integrity and class. An athlete who displays unsportsmanlike conduct as identified by the official on the field or court of play (i.e. unsportsmanlike penalty in football, technical or intentional foul in basketball, yellow or red card in soccer, etc.) will be disciplined by the Head Coach and the Athletic Director. The athlete may also be dismissed from the athletic program. Unsportsmanlike conduct is considered a TAPPS violation and may result in the school being placed on probation.

ON THE FIELD OR COURT

The athlete must never use profanity or resort to illegal tactics. He / She must learn that both winning and losing are part of the game and that he / she must display good sportsmanship, win, or lose. Temper fits, flagrant violations of rules, etc. will not be tolerated. Total respect of officials is an absolute must. Discussion of calls made by officials will be done by the coach. Any behavior contrary to good sportsmanship may result in the following:

upon the school is subject to dismissal from the athletic program. The student may be dismissed for the remainder of their academic enrollment at Brentwood Christian. The Coach, Athletic Director and Campus Principal will be consulted before dismissal of the student athlete.

Only the Athletic Director may dismiss an athlete from the Total Athletic Program!

CLASSROOM BEHAVIOR

Student athletes will be expected to:

By calling in before you miss a workout with a reason deemed valid by the coach (for example, haircuts, doctors, dentists and driver's-ed classes are NOT valid reasons for missing workouts then your absence can be or will be considered excused. If you do not call before you miss a workout, you will be considered unexcused for that workout, regardless of the reason you missed. (This is a life-skill...notify in advance that you are going to miss.)

INSURANCE

The school district provides a supplemental insurance policy that will cover all TAPPS activities. If an athlete is covered under another policy in addition to the school's policy, the other policy will be the primary provider, not the school's policy. Claims should be filed on both policies. The primary provider should pay the initial benefits. The school's policy will then function as a supplemental policy and pay a portion of the remaining charges. If the athlete is not covered under an additional policy, then the school's insurance will function as the primary provider and pay accordingly. Rarely, if ever will the school's insurance cover 100% of the charges. Contact a coach when an athletic injury requires medical attention, and we will be able to send the appropriate information along with you.

FACILITY USAGE POLICY

- Any usage of athletic facilities must be approved by the director of athletics

CONFERENCES WITH COACHES

Any parent who wishes to discuss some phase of the program concerning their child may do so. Each parent or guardians’ concerns are important to our Athletic Department. However, concerns should first be voiced to the coach solely responsible for their child. Communication with the Coach who knows the child best is the most effective way to resolve issues. Please contact the Coach on their conference period during school hours. Confronting a Coach in a negative manner at a game or practice is inexcusable, please schedule a meeting time with the coach. If you need to pursue any issue further concerning athletics, please contact the Brentwood Christian Athletic Director, Julie Walker. She can be reached in the Athletic Office at 512-898-5983 x131 or at jawalker@brentwoodchristian.org.

The next infraction results in dismissal. Prior to a dismissal of an athlete, a parent will be contacted of the reasons for the action. The appeals process will be outlined at that time.
