

What is Expected of BCS Students for Jog-a-Fun?

Each student should enter at least 20 names and addresses of family, friends, or neighbors asking them to sponsor the student to walk or run in Jog-a-Fun 2023. Please do not send requests to other BCS students (students may, however, ask their siblings to sponsor them), faculty, staff, or administration. Elementary school students, faculty, and staff run for 30 minutes; each grade will have a scheduled start time provided prior to the race. High School and Middle School students, along with faculty and staff will run a 5K race.

- Every student will receive a Jog-a-Fun 2023 t-shirt.
- Elementary, Middle, and High School students will be eligible for prize incentives if they send **20 letters AND raise \$150 by November 24, 2023.**
- Secondary students will be eligible for the Jog Free Day (see FAQ for details) if they send **20 letters AND raise \$150 by April 5, 2024.**
